IMPORTANT NOTICE

GDCE Notification No.02/2026 dated 22/04/2026

All the employees who have successfully applied under the GDCE Quota for the on-going application process are hereby informed that, in case of any errors/correction in the fields of the submitted application forms, they may log-in again to the application portal and make the necessary corrections.

Applicants may carry out the required modifications/corrections to their applications through the online application portal during the correction window, which will remain open from 05.06.2026 (10:00 AM) to 09.06.2026 (6:00 PM).

The candidates who have already registered online but could not submit the online application can also do so during the period when the modification window is opened.

Also, all the candidates who have submitted their application with the qualification as B.Sc. (Physics & Maths) on or before 15.05.2026 are advised to log-in to the application portal, resubmit their application and complete the application process again during the application editing window which will be open as mentioned above, as the modifications to exclude B.Sc (Physics & Maths) to the post of ALP in the online application was made at a later stage.
